Student Library Assistants	7	We couldn't run the library without the Student Assistants!
Graduate Library Assistants	2	Graduate Assistant & Saturday Supervisor: 20 hours/week Graduate Assistant 10 p.m. to Midnight Sunday-Thursday
Veterinary Journals	Most veterinary journals in English plus biomedical & agriculture journals.	
Databases	All databases relevant to UTCVM are available ~ except Embase.	
Pendergrass Collections	200,000 volumes on compact shelving that provides 80% more shelf space. Includes animal science, UN/FAO/USDA publications, wildlife, pet health/human-animal bond, & human medical journals & texts in addition to veterinary medicine.	
Complimentary Collections	Preston Medical Library/UT Medical Center. Nursing & Biological Sciences Collections at Hodges Library. Electronic journal & physical collections including: SpringerLink, Science Direct & BioOne; Wiley, STAT!Ref, Current Protocols. Access via catalog or the list at http://www.lib.utk.edu/databases/	
Scan On Demand	Library provides an electronic copy of chapters & articles for free upon request. (One chapter per book.) Great for vet med because a large % of the veterinary collection is unavailable electronically compared to human biomedicine.	
Interlibrary Loan	Free electronic & physical delivery of materials <u>not</u> in UT collections.
